(Author's note: this is really short, and my first fic !!be nice!! and read the second one, too)

"Yes!" I yelled. "I've got it! Yay!!" "Ashley, calm down!" my mom yelled back to me. I had just gotten a PokÃ©mon game set, Blue version, from my dad for my 10th birthday. I jumped up and bounced down on my bed.

> Then I yanked my PokÃ©mon stuff (from the set) out of my bag. A guide to playing the game (a few cheats and stuff), the game (duh), a Game Boy color (blue, my fave color), and a game link cable. There was also a mirror. "What's that for?" I wondered. <br> I pushed the game into the game boy and put all the other stuff behind me. I turned it on and the red light blinked on. Then there was a flash and I blacked out.
